### Science Fair was a Hit! Please see the Back of this Page...

Science Fair was a big success, and many great projects and experiments were presented. Thanks to Kindergarten and Grades 1 and 2 for their fabulous class projects, and to all of the participants in the Science Inquiry Club for their slideshow presentations. Special thanks go to Cassandra Kovacs and Karl Kovacs for all of their hard work in organizing the event and preparing the information packets that were sent home, to Dana Moffett for helping out with lunch coverage volunteers, to all of the folks who monitored classrooms at lunch so that we could use the multi-purpose room, Mr. Scalzi for his outstanding A/V assistance, and to Mrs. Hessler for selling presentation boards and getting the entire school charged up about science!

### Quizno's Fundraiser Night March 21
