QUESTIONS ABOUT READING

Reading is a key skill, and Meadow Hall is very focused on helping all of our children meet and exceed! – the benchmarks set by the State. Mr. Lloyd presented information at the last PTA meeting about student progress in reading, and it is possible that this information could be presented again for those who missed the meeting. To help Mr. Lloyd, the PTA wants to know what questions you have about Meadow Hall's reading program so that staff can show us what teachers are doing to help our children become great readers, and how we can help at home! What are the benchmarks, and what do they mean? What do test score results tell me about how well my child reads? How do teachers put together the reading groups? How can parents help their child with reading and literacy skills? Contact Denise Sanford at ptadenise@comcast.net with your questions!

KIDS AFTER HOURS - CLUBS

Kids After Hours (KAH) is trying to find young interested girls that would like to learn how to cheerlead. It will be held at Meadow Hall with KAH from 3 pm-4:30 pm every Monday for 8-10 weeks. For boys and girls they are also offering a dodgeball club on Thursdays for 8-10 weeks, as well. Both clubs are \$10 per week per child, and they hope to start soon. In order to start the class they need 10 or more kids that would like to attend all the weeks. If you think your child would be interested you can call KAH at 301-340-3327, or email Gavyn at Gavyn@kidsafterhours.com.
