### Passing the Torch

A great number of chairpersons and officers in the Meadow Hall PTA will be moving on to middle school. As of this printing no one has stepped forward to be on this year's nominating committee recruiting help for next year. If you are the parent of a K-4<sup>th</sup> grade student and have an interest in seeing the PTA continue at Meadow Hall next year, please volunteer for the nominating committee by calling outgoing president, Susan Writer at (301) 309-2486.

### Thank You from the 4<sup>th</sup> Grade

The fourth grade would like to thank all of the families that enjoyed a great dinner at Outta-the-Way Café Wednesday night. It was a very successful fundraiser. The students (and yes, the students themselves contacted this editor) would like to say a special THANK YOU! to all of the Meadow Hall staff members that donated their time as wait-staff at the restaurant, and to the regular staff at Outta-the-Way that accommodated this "help" graciously. One more big thanks to the Buehler family for hosting the event.

### Book Fair Needs You!

If you haven't already signed up to help with our Spring Book Fair, please contact Laurie Bennington at [LaurieB@calusa123.com](mailto:LaurieB@calusa123.com) or 301-946-4181 a.s.a.p. Some help is still needed for the hours the fair will be open during the days (March 22-28) including the two evenings, Friday, March 23 and Wednesday, March 28. It's great fun and the more hands we have, the more fun we'll all have!

### Social Studies Fair CHANGE

Social Studies Fair projects should be brought to school at 6:30pm for the evening family event and bookfair. We will not be having a daytime tour of the projects this year. You do not have to stay for the entire event to be eligible for the contest.

### Social Studies Fair Contest

Social Studies Fair packets came home in backpacks this week; extras are available in the front office or visit MHEspta.org. The fair is Wednesday, March 28, 2007. If you choose to theme your project around the 50<sup>th</sup> anniversary you are eligible to have your project chosen to be on display at the gala in May, and to win commemorative prizes from this historic event.
