

We need *you* to make it all work!

Meadow Hall has an award-winning tradition of volunteering and you could be part of it.

It doesn't have to be a lot of time – an hour or two during the course of the year could mean more than you can imagine!

Please indicate on the form below if you want to be included on our ***Volunteer Role Call***. All families – ESOL, special ed, and general ed families – are welcome and encouraged to sign-up. You can volunteer in the classrooms, the school at large, at the various school and PTA functions held throughout the school year. There is even plenty you can do from your own home on your own schedule!

You will help your school and your child by being part of it all!

For questions, please contact Laurie Bennington Volunteer Coordinator at (703) 405-6739.
